Amesbury Wins In Closing Minutes

On October 15th the Red and White playing on the home field again, lost the second game of the season to Amesbury High 19 to 8 in the closing minutes of play. The home team was in a crippled condition but only Russ Crosby was unable to get into the lineup on account of torn shoulder ligaments. Quarterback Smith was on crutches at noon but threw them aside and played the whole game on pure nerve. Nearly every member of the team and subs had some troublesome ailment and there were only eleven men to go on the field. The team did the iron man act using no substitutes, while Amesbury made several and this told during the last period. During the first period neither team made a first down and the ball remained in mid-field. In the second period Dummer drove the ball far into Amesbury territory. When the visitors got possession of it on the fourteen yard line, Clarke juggled a bad pass from center, and he fell on it over the line for the first score of the game. Amesbury kicked off from the twenty and again rushed the ball back to the six inch line where Amesbury finally stopped the march. Wally Temple contributed a long run back of the following punt, and on the next play a pass, Smith to Hart, netted another touchdown. The extra point was missed, but Dummer led eight to nothing at the half and had checked the Amesbury scoring machine without a first down. The third period was about even but in the fourth the visitors brought pressure to bear and Dummer wilted under the attack. A punt blocked on the thirty yard line was the cause of Amesbury's first score. Dummer then received the kick off and fumbled on the twenty five yard line giving Amesbury another opportunity to score. Again Dummer received the kick and again fumbled on the twenty-five yard line allowing Amesbury to run up nineteen points in the last eight minutes of play. It was a heart-breaking loss for the team that had run Amesbury off its feet for three periods, but the team learned that a game is never won until the last minute, and this lesson may do them a great deal of good. Bottger and Clarke were outstanding players for their team.

Beverly Reserves Defeated in Opener

The football season opened Saturday, October 1, when Dummer triumphed over the eBeverly High Reserves, 14 to 0. The team did very well considering that it had only practiced for a week and a half. Throughout the game the Dummer team showed much better fight and football than did Beverly despite the fact that the game was played under a scorching sun with the temperature hovering about the 88 mark. Wally Temple and Norman Smith tore off many long runs and were responsible for a touchdown apiece. Both tries for the point after and failed but in the second period Bert Temple smeared a Beverly man behind his own goal line for a safety. Dummer was leading by this margin at the half although they had had the ball almost over twice and had been balked by the stalwart Beverly defense. In the second half, however, they found the punch and put it over twice, as well as kept it close all the time.

Dummer showed itself to possess a fast backfield with an exceptionally fine defense back in Dick Crosby. The line needs only a few more hard scrimmages to make it capable of opening up the holes quickly for the backs. Captain Bottger's work at tackle was remarkable

There are three new appointments to the faculty. Mr. Prothero, B. U. 1921, teaches mathematics and lives in Perkins Hall with his wife and daughter. Mr. Prothero comes to us from Allen School and formerly taught at Tabor.

Browne & Nichols Ekes Out Victory

On Friday, October 7, the football team journeyed to Cambridge to play Browne & Nichols in the second game of the year. The game was close and interesting and Dummer came out on the short end of a 6 to 0 score due to a beautiful forty yard run in the second period by Tenney. Tenney was the Cambridge team's chief threat throughout the game due to his slippery broken field running, and his cleverest execution was the forty yard runback of a punt that netted the score. During the first half the Dummer team failed to come to life, and B. & N. had a pronounced superiority over them although they did not get within the fifteen yard line. Dummer held fairly well but was weak on the offense. In the second half the team put on a different front. Inspired by a strong fight talk, they received the kick-off and started a long march down the field. From their own thirty yard line they carried the ball to the home team's five. Here a fifteen yard penalty for holding and a mix-up in the number of downs, we were entitled to, lost us the ball on the third down. Other marches carried the ball close but the final punch was lacking against the stonewall defense put on by the Browne & Nichols team in the shadow of their own goal posts. Due to the fierce attack of the second half the Dummer team scored several more first downs than their opponents. The defensive work of Dick Crosby and Bottger and the running of Wally Temple featured.

Thanks to Mr. Bentley of the Board of Trustees the Wyanoke movie projector has been again loaned to the school. The first picture on October 15 was Douglas McLean in "Introduce Me." On October 22 we saw Harold Lloyd in "Why Worry." Both pictures were funny and interesting and we hope to see more of their type. It seems that satisfactory pictures are at last here to stay.

Andover Seconds Trimmed in Practice

On October 12 the Dummer team journeyed to Andover anticipating a practice scrimmage with the Andover seconds. It seemed, however, that Andover wanted a game and had arranged for it. Dummer received the kick-off and made a mess of the first period. On the first four plays Dummer fumbled and on the fourth an Andover man recovered. Dummer held for downs then but Andover had the ball in Dummer's territory most of the period and scored once. Spalding missed the extra point. In the second period Dummer recovered from the attack of stage fright and started to run over the Andover team. When the period ended they had the ball close to the Blue's line. In the third period after a long march down the field Smith took the ball over from the three yard line and then put Dummer out in front by kicking the extra point. Dummer made the most of the game and tried out all its new plays and formations to find out their effectiveness.

DUMMER-SANBORN

GAME TO BE PLAYED IN HAVERHILL STADIUM

The Dummer-Sanborn football game which was to be played in Kingston, N. H., on November 12th., will be played in the Haverhill Stadium on Armistice Day, November 11th. The proceeds of the game are to go to the fund for the relief of the wounded veterans of the American Legion.

The game will be called at 2.30.

Mr. Peterson now has charge of the Junior School and with Mrs. Peterson presides over Moody House. Mr. Peterson is a graduate of Norwich, class of 1924, and formerly taught at Ramsey Hall.

EDITORIAL

The *Archon* has been going about six consecutive years since its last lapse. We have not the exact data on why it failed before, but we suspect that lack of support in the literary columns had a great deal to do with it, and we don't want such a circumstance to come about again. The paper is supposed to be published by "the students of Dummer Academy." Let's make that the truth. Every one can help in some way. If there are no literary geniuses in the school, there must be some original ideas on literature that could be passed on to the one capable of doing them justice. Original jokes, amusing situations from the classroom, information on alumni, and odd gems of literature are welcomed by the editor. They may be held over for an issue, but that is no insult and should not be discouraging to the contributor. Never discourage the impulse to write something for the paper, and let's have plenty of contributions all year.

PATRONIZE OUR ADVERTISERS

The financial success of a paper depends largely on its advertisers. The success of the men who advertise depends on the results obtained from advertising. Now these men have faith in us to give us their support, so it is up to us to see that they are patronized. When you plan to make purchases take a look through what our advertisers have to offer and plan to let your money find its way into their tills.

M. Clinard,
Business Manager.

News of Interest

Excavation has already been started for the erection of an addition to the garage. The new building will amply house the fourteen cars that are now about the school.

* * * *

Jim Sleeper has at last bought the 22-passenger Pierce Arrow bus that has been so needed the past few years. The football team appreciated it very much on its trip to Cambridge.

* * * *

Mr. Lincoln, Brown 1926, is teaching elementary French and Latin and living in Perkins Hall.

* * * *

Due to the epidemic of infantile paralysis in Haverhill and the few cases in outlying towns permissions to leave school have been very sparing. The cold weather now has removed most of the danger and soon the regular town permissions will be resumed.

* * * *

The school orchestra was on the job under the direction of Mr. Porell at the last movie. There is greater variety in that department this year, and the quality of music produced is far better than ever before. With a little more practice they will be well able to fill the engagements booked for them this year.

* * * *

The personnel of the orchestra is Levin, violin; Craig, banjo; Temple brothers and Moulton, saxophones, and Mr. Porell at the piano.

* * * *

Mr. Prothero and Mr. Porrell have organized a choir to sing at the Byfield Congregational Church every Sunday.

* * * *

With Mr. Lincoln at the piano, Mr. Prothero rendered a solo at Sunday evening chapel a short time ago. The next Sunday evening Mr. Porell played the piano while Levin with a violin and Mr. Lincoln with a cello filled out the trio. This extra musical feature of the services adds a great deal to the enjoyment, and we hope it will continue.

* * * *

Mr. Webber of last year's faculty has been down for several visits already this fall. He is now a safety engineer for the Liberty Mutual Insurance Company.

Mr. Lehman is now teaching at the Chicago Country Day School and working at Northwestern University.

The Commonwealth is now completing plans for the widening of the Newburyport Turnpike by ten feet, five on each side.

**MORSE FIELD STILL
BEING EXTENDED**

The Morse Athletic Field is still progressing, thanks to the continued generosity of Mr. John H. Morse of Andover. It has already been extended enough beyond the old barn and toward the pike to put two fields end to end, and it has been greatly widened. With the two fields there is always room enough for all the teams Dummer supports. The first game was played on the new field but hard rains on the newly turfed field rendered it unplayable. The old field was used for the Amesbury and Tabor games because the turf is more solid and settled there. Following the announcement concerning the widening of the turnpike by ten feet, levelling in that direction was stopped until the facts of extension were investigated. Now the levelling of the field toward the hockey pond and the turnpike has been started again. When Mr. Morse is through the field will be one of the best prep school playgrounds in the state. There will eventually be a low stone wall around it similar to the one at the entrance, and when the ground has been hardened and the turf has settled there will be ample parking space besides. The only thing lacking is stands for the spectators that can be moved about to be used for baseball too. We expect someone to match Mr. Morse's generosity with this gift soon.

Following the Lawrence game, the team plays Belmont Hill at South Byfield. Belmont Hill is said to be weak this year, and Tabor's 20 to 0 victory over them seems to bear out this statement. Dummer's victory over Tabor was clean cut and conclusive.

"Nort" Pickering, now attending Bowdoin, was down with the lady friend for the first football game. He was out for freshman football but threw out his knee again the first day. It seems that the injury inflicted on him in practice here last year will keep him out of football for some time.

Tom Fearnside is now a freshman at Massachusetts Institute of Technology. Tom kept at his golf during the first part of the summer and came within a couple of shots of qualifying in the Massachusetts Junior.

Jim Budgell is attending New Prep in Cambridge.

Jack Calderwood is going to Boston University and was down to the Beverly and Tabor Academy football games to visit the boys.

"Soot" Sawyer is attending Bryant and Stratton and was down to the Tabor game to root for the team he used to captain.

Pillsbury is attending the Chicago Country Day School.

Lawson missed his French College Board by a scant margin after his return from Denmark. He is studying on the side this year and expects to enter Williams next fall.

"Izzy" McKinney visited school last Sunday. He is to enter an engineering school in Chicago in January.

Eddie Woodward is selling Cadillacs in Portland and making a great success of it from all we hear.

Sporting Events

Amesbury High continued on her victorious path by defeating Methuen Saturday 32 to 0. The pass from Smith to Hart caused the only score on Amesbury this year besides the safety also scored by Dummer.

0 0 0 0

An interesting sidelight on the Dummer-Amesbury game was the Dummer rooters from Newburyport. Because of the break between the two schools, Newburyport was especially desirous of seeing Dummer beat them; and with their own team idle, they turned out in force to see the game.

0 0 0 0

Besides the fans from Newburyport and the Amesbury rooters, quite a number came down from Haverhill because there was no game there. The D. A. A. took in about \$275 on the game.

0 0 0 0

Dummer supporters feel that Amesbury is no stronger than Dummer and are awaiting with interest the results of the Amesbury-Sanborn clash on October 29 for a comparison of Sanborn and Dummer.

0 0 0 0

On the 29th the football team journeys to Groton for one of its objective games with Lawrence Academy. Its main task will be to stop the fleet and elusive Hotstein, former Boston English High star, who is their main threat. Due to his fine work Lawrence is undefeated, but they have had no real test and there are no comparative scores to go by. According to Tom McCabe in the *Herald*, Lawrence has the edge; but we can only remember last year when Lawrence was undefeated until they met Dummer, over whom they had, supposedly, an advantage.

0 0 0 0

Dummer added one game to her schedule on Columbus Day at Andover where they took on the Andover seconds. Dummer intended it to be a practice scrimmage, but the Andover den expected it to be a game. The battle perhaps took just the little bit Dummer needed to stand off Amesbury in the closing minutes the following Saturday out of the men.

0 0 0 0

The first game on the gridiron with Tabor is over, and we are already looking forward to the next. They put a clean, hard-playing team on the field that it was a real credit to beat. We wish them good luck in the remainder of their games.

0 0 0 0

Dummer saw Sanborn open their season with Newburyport here with a six to nothing win. Considering that Sanborn will improve, the prospects for a great finale at Kingston are good. Sanborn has lost to the Bowdoin freshmen and Chelsea so far. They will play Lawrence Academy when we are playing Belmont Hill.

There are prospects of resuming track this year. There will be more later on the subject.

Dummer Seconds Defeat Georgetown

Mr. Reagan's "Grid Athletes" showed their superior coaching by defeating Georgetown High. The game was played at Georgetown. The Georgetown eleven scored first, but failed to make the extra point. Immediately the Dummer team pulled itself together and marched down the field. The touchdown was made when Robinson skirted left end, and the extra point was secured by a pass caught by Hosmer, the quarterback.

The game see-sawed back and forth until the end of the second quarter when the opponents nearly succeeded in making another touchdown, but they fumbled and the ball was recovered by "Mal" Walker, Dummer's dashing fullback, who romped 95 yards for a touchdown. The half ended without further scoring by either side.

The second half was much closer. The Georgetown team scored in the third period tying the score. The game continued with the score tie until in the middle of the last quarter Dummer again scored thus winning the game as no further scoring was done.

AN ALUMNUS TURNS BENEDICT

A prominent social event in Louisville, Ky., Saturday afternoon was the marriage of Maxwell Glen, Dummer Academy 1917, to Miss Mary Sue Dulaney, daughter of Dr. and Mrs. Octavus Dulaney, the ceremony taking place in the Fourth Avenue Presbyterian church before a large company of relatives and friends. Mr. Glen is traffic manager for the Colgate Company which has a large manufacturing plant in Jeffersonville, Ind., just across the Ohio river from Louisville. The bride is the daughter of one of the leading physicians in the city and has been very prominent in church and social affairs.

GIFT FOR INFIRMARY

Mr. Philip English, father of our husky left guard, has just presented a Thermolite to the Infirmary. Members of the football squad will appreciate this gift when their old enemy "Charlie Horse" hits them.
